

To all NSW HMA Clubs

Announcing "Roadshow Dubbo" 2023

NSW HMA is hosting a gathering of member and non-member clubs at Dubbo on Saturday 4th November at 10.00am. The venue is Dubbo RSL Memorial Club Starlight room, 178 Brisbane St, Dubbo NSW.

Transport for NSW (TfNSW) representatives will take part in the meeting to provide first-hand advice on policy and proposed developments that affect our historic and classic vehicle registration schemes as well as receiving input from attending club delegates.

The meeting will take the form of a Question & Answer session covering all aspects of the Historic and Classic Vehicle Schemes. After addressing the most frequently asked questions the TfNSW representatives will take further questions and comments from the meeting.

This is a rare opportunity to hear from the people from TfNSW that we work with in the Historic and Classic Industry Working Group (HCIWG), to have your questions about the schemes answered and your comments heard. We need our member clubs to show our interest and gratitude by turning out in maximum numbers in the hope that TfNSW will recognise the importance of their communication directly with our clubs in this way and similar meetings will be possible in the future.

Clubs are welcome to attend with up to five delegates. Please communicate directly with Phil Mudie on 0407 034 484 confirming your club's intention to attend and advising the number of delegates.

Regards,
Ian Browning
Secretary
