President's Report

Well it has been cold lately ,but we had some news to warm your hearts the State government in their endeavours to assist car clubs in the state have granted our club a very generous grant of \$34,296 to support us in the construction of the verandah and storage extension ,this is really wonderful news as most of our members are getting too old to assist with manual help as we did for the last kitchen extensions, thanks to Steve Toope and all the others who helped with the application for funding etc well done all. Ron and Andrea Disher have been most unwell and Andrea is in the Casterton hospital and Ron is in the assisted aged care facility next door to the hospital. Daisy and I visited them last Friday and they said that they are in Casterton permanently as the doctors wont allow them to return to the caravan park so if you are in Casterton and have a few minutes it would be great to pop in and say hello to them . Ron was one of the founding members, and is a Life Member who was a very active member for years until age caught up with him. Morrays runs are still great fun with 14 attending the Tantanoola caves and then lunch at the Somerset in Millicent, another great day, so I hope to see you soon travel often and stay safe. John C Hill

Morning Tea at the Club Rooms

Club Coming Events 2023

The Mount Gambier Caledonian Society are intending to celebrate "The Day Of The Tartan" at Glencoe. This event is held worldwide annually on the 1st of July. During the day there will be Pipe Band competitions, Highland Dancing Competitions and various displays of old stationary engines, Medieval players and stalls, Scottish stalls.

There will be Food outlets by Glencoe Hall Committee and a BBQ by Prostrate Cancer Support group.

The Woolshed upgrade will be completed and they are prepared to open their old farming machine collection and will have blade shearing displays.

There will be a flag raising ceremony by the Army Reserve at 9.30.

Our club has been asked to display our vehicles on the day.

The Organisers of this event would like us to be at the Glencoe Hall (on the right just past the Woolshed) by 9.00am.

To be at Glencoe at that time we would need to be away from the club rooms at 8.30 sharp.

Overview.

Meet at the club rooms (or leave from home) at 8.00am.

Depart from club rooms at 8.30 on the dot travel to Glencoe via Wandilo.

We are asked to park our vehicles with their backs towards the Hall so we are facing the road (entrance), there will be someone to guide us.

Let's hope the weather will be kind.

Sunday 2nd July.

The Good Ole Boys Bike and Car Club.

Day on the Course.

Edenhope Racecourse. Gates open at 9.30am Vic time. Gold coin donation.

SPOTLIGHT on Patina/Unrestored vehicles, all cars, bikes, trucks or any vehicle of interest.

Hot food and hot and cold drinks available.

I have not made this a club run, it's an interesting day and I am going along and hope to see some club members coming along.

I will be at the club rooms at 9.00 our time if any one wants to travel with me (doing the speed limit of course)

Sunday 23rd of July,

Once again I am indulging myself.

Margrit and I have never been to Echo Farm and with this in mind I have arranged a visit.

Be at the club rooms around 10.30 or so to get away by 11.00 or so. Echo Farm is just up the road.

Bring your own lunch.

There are areas at the venue to sit and eat, but depending on the weather we may have to return to the club rooms for lunch.

Come rain, hail or shine, life at the park goes on so dress accordingly, the walk paths are gravel so I don't think rubber boots are required (unless you want to wear something to match my red ones!) Entry fee is \$15.00 and there is a concession rate.

Their advert states that 'a calmness is felt as you wander the park', I have to say I did feel this when I went to book for the event.

I am looking forward to the day.

See you at the events.

Morry-Club Captain.

GRAMPIANS ESCAPE 2023

Day 1...Wednesday morning saw us gathering at the clubrooms ready to go to the Grampians. We headed off with our first stop at Casterton for bakery visit where we were joined by Brian Ling, Alan & Helen Hansford. Our journey then took us to Hamilton where we turned at speedway and took the back way to Dunkeld. After a lunch break we made our way to the Arboretum and Fitzpatrick Sawmill....The local

Men's group meet there every Friday evening to use the old saw milling equipment that ceased operation in 2000 after logging finished in the Grampians. They came in and gave us a very interesting demonstration of the sawmill...we then wandered around the area and looked at the wood carvings and scenery before heading to Halls Gap Lakeside Tourist Park where we were all staying. We finished the day with a counter tea in Halls Gap

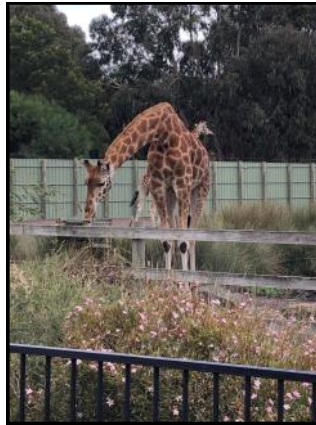

Day 2After feeding the birds at our cabin (I swear they can hear the bread being unwrapped in the morning to make toast!!!) we lined up outside the park and headed for Lincoln Land...its a privately owned collection of Lincoln cars and one Ferrari...Its mind blowing and so well displayed we feel very lucky to have enjoyed seeing this amazing collection ...it was certainly a discussion point for quite a while!!!

The afternoon saw people heading in all directions sightseeing....Clem Deb and I hired E-bikes and rode all around the town ..Deb and I managed to do a bit of bush bashing but we arrived back safely!!! that evening we gathered with a cake to wish Daisy happy birthday! Unfortunately this was when Mavis tripped and fell in her cabin and damaged her shoulder requiring a trip to hospital in the ambulance followed by return trip to Mt Gambier for surgery...we hope she recovers well soon.

Day 3....Off to the ZOO...well I really enjoyed the zoo..so much to see but my fave would be the meerkatsAfter a bit more sightseeing we joined for dinner at the Spirit of Punjabfirst time for many eating Indian but very enjoyable.... The much photographed robot waiters were very entertaining !!!

Day 4.... We headed off to Stawell with first stop at the Stawell Gift Hall of Fame Museum...very interesting as there are 3 Mount Gambierites who have taken the honours!!! John Hill was able to find a relative who raced there many years ago. We also met up with members of the Holdens of age and Grampians V.V.Club.....We then headed up to the Big Hill Lookout where Geoff Bullock kindly told us all the history and showed us photos of how big the town used to be and how the water came to Stawell many years ago...we then went to the viewing platform to see the Goldmine in operation. We then scattered to see the area on our way back to the park where we finished the day with a B.B.Q. and a Quiz from Deb to see how much information we had learned along the way!

So how many animal statues are there in Coleraine???

Day 5...We headed to Ararat...first stop was J Ward Home for the Criminally Insane...we split into two groups and toured up ,down, in and out of a most interesting place ...we even got John Hill in a straight jacket!! Our guide had some amazing stories to share with usthen after a quick lunch we headed to Gum Sam Chinese Heritage Centre where we learnt about the Chinese people coming to the goldfields from Robe...we tried on clothes, panned for gold and saw many very interesting displays.We finished with a very enjoyable evening meal at another pub in town.

Day 6... We head for home with people leaving in all directions....most of us via Horsham,Edenhope for a lunch break then Langkoop, Penola then home

Editors Report

Hi Members. Winter is definitely with us with a vengeance, cold wet and miserable, doing things outside is really difficult. For those who are unwell hope you make a speedy recovery.

The trip to the Grampians last Month was a great success, it was well organised and by all accounts those who went had a really enjoyable time. Thanks to Margrett and Sonia for the photos they took each day, many of which I have included in this newsletter.

As our AGM is coming up in August could members please consider taking on rolls in helping the club to continue successfully into the future.

Flash back-Mid week run to Tantanoola Tiger 22 April 2008

Trip to Tantanoola tiger

A good roll up of Club members went on the mid week run to the Tantanoola tiger hotel last month.

This was only the second time I had been to the Tiger and because of school holidays, the two "girls" came along for the ride. A few other grandparents had the same idea. Melanie and Rebecca were very interested in the Tiger and took a fact sheet home to show Mum and Dad for the "show and tell" at school. The Tiger was a popular place to visit. Along with our members, a couple of groups were celebrating birthdays.

On the way home we quizzed the girls on facts about the tiger and at the end they both decided that the tiger was "only a wolf anyway".

A great lunch and beautiful weather. Look forward to the next mid-week run. Good choice, Club Captains.
