President's Report

Hello everyone, we are presently doing the log book updates. If you haven't had yours updated and paid your new subs you need to do it as soon as possible as after the end of the month you no longer are registered and I have to notify D.E.T.I. I will be at the clubrooms every Thursday 10 am till 11-30 am .The boys are getting along with the new fence the old limestone one is gone and the new colour bond fence is well on the way so thanks guys .Morry continues to find interesting places for us to go so thanks Morry. Special thanks to all of the office bearers for the great job in the past

year also a big thanks to Margrett and Allan and anyone else for making the Thursday mornings so great thanks. I hope that we find plenty of members at the AGM to fill all the positions so we can move the club forward for yet another year.

Travel safe and see you soon J C Hill.

Morning Tea at the Club Rooms

Thursdays the Clubrooms will be open 10am

Come and have a coffee and a chat...feel welcome to bring friends along...and maybe pick up a Club member who is unable to get there under their own steam...see you there. Margrett.

Welcome to New Members:

Brian and Catherine Dolan.

Club Coming Events 2023

There has always been a bit of interest in the South Eastern Automobile Club (SEAC) Motorsport complex at Compton. They are running an Autocross event on Sunday the 27th August and I thought we could go along and take a look. I will check with the club to see if there is any chance of a closer look at the track. One way or another, I will have to keep all informed as the date comes closer. As for lunch, some times there is a food van there, but it depends on the availability of it as well as people to work it, again I will have to just keep all updated, we may have to take our own lunch.

We will meet at the club rooms at 10.30am for a coffee and drive out a little later. More info will be issued as it comes in to me, and I will get it out on social media
Morry-Club Captain

There is a combined car show on September the 3rd (Sunday Fathers Day) at the Total Tools car park organised by Lake City Rodder's, all are invited.

I thought that we could put our cars on display and have a short local run afterwards, maybe a bit of clue gathering and returning to the club rooms for afternoon tea.

The display at Total Tool starts at 10.00am and finishes at 2.00pm. There will be a BBQ and coffee on site.

We could leave the display and return to the club rooms just after 2.00pm and then go for the run and return back to the club rooms at about 3.30pm for coffee and cake.

Seeing its Fathers Day I think the club could shout the cake (I'm in trouble now) A quick overview.

Come to the car display at 10am leave around 2pm to be back at the club rooms to pick up your instructions for the run, complete the run, return to the club rooms for afternoon tea (and cake) around 3.30pm.

Come along if you can.

Morry.

Sunday the 17th September.

Cemeteries, they are an interesting place to visit, even knowing at some stage we will be more than visiting.

Margrit and I have visited cemeteries all over the world as well as many places in Australia and have found them very interesting, bringing all your emotions to the surface.

With this in mind I am planning a club run to the old Hamilton Cemetery.

A little time ago I had to drive a mate to Hamilton so he could see a doctor and while I waited I explored the Hamilton Cemetery.

It is arranged so that the residents now there are telling their stories.

If we find the time or if club members don't wish to go cemetery walking we can go to the Ansett museum or the car museum if so desired.

We could have lunch at the Caledonian pub again or at any venue if desired.

The plan:

Meet at the club rooms at 9.00am depart at 9.30am, stop for a wee break (that's Scottish for a short break) at Coleraine or the other wee if required.

Lunch at the pub or where ever.

Return to the cemetery car park to start the visit.

Flexibility will be the plan, if members want to choose other venues to visit or can even try to do them all if time permits.

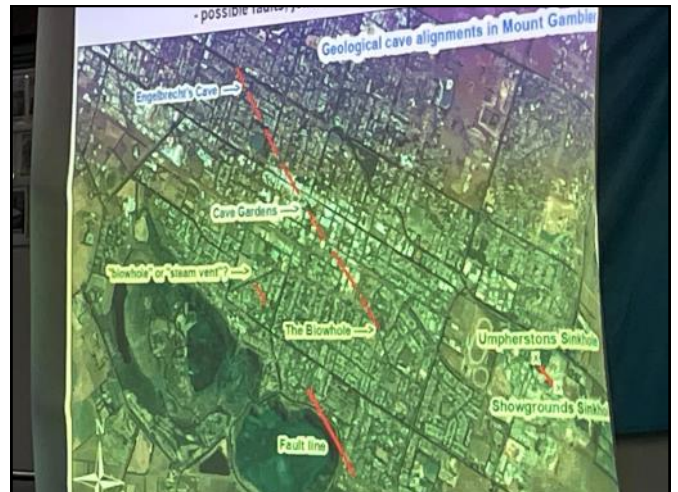

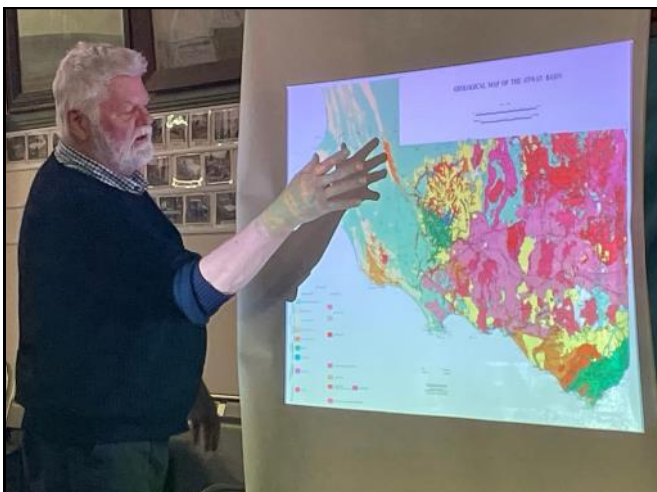

It should be an interesting day so come along, give the car a good run.

Morry.

Monday 16th October to Sunday 22nd October 9am to 6pm. Club member Garry's shed display.
10 Eldridge Drive Worrolong.

Car Club General Meeting 28th July 2023

We were lucky to have another great guest speaker at our club meeting last Friday night. A real Gem!!!!. 😊 Ian Lewis is a Hydrogeologist who has been studying & working on this subject for more than 60 years. Ian's presentation was informative, educational, very interesting and kept us fascinated throughout the presentation. A big thankyou to both Ian & Morry..

Car Club Run to Dartmoor, Fort, O'hare 6th August 2023

Sunday started off so well, woke to the sun shining through the windows, a lovely breakfast of roast beef and pickles on toast. Opening up the club rooms putting the kettle on and out into the sunshine to warm up.

The run to Dartmoor went without a hitch, all the vehicles spaced out well and no traffic congestion.

The Portland club had a pot of pumpkin soup bubbling away on the portable stove and cups of it were handed out while we stood and chatted and looked around the cars.

Lunch was served, hamburgers, sausages along with onion, great food.

The pitch was set up for the major event of the day, sixty-six feet, twenty two yards or a chain whatever you prefer. This seemed to be too great a distance for us oldies to run so it was reduced in length to a distance that most of us could manage.

Portland's team went into bat first (well they did supply lunch and I thought that their bellies would still be full and that might be a handicap).

To my surprise their batting was looking good so a quick adjustment to the ball with a bit of wet and dry from my toolbox slowed them down a little.

Mt Gambiers turn came about and things did not look good, batting was below average until a couple of unknowns came along.

Neil, the Portland's Captain was starting to look worried, he approached me and asked if he could get a piece of wet and dry, so he could clean the points on his car to be able to drive home. I had him sussed as I knew he had come in his diesel Ute (the lengths that people go to to win surprises me).

Julie Ricketts surprised us all (and probably herself) and saved the day and the ashes would return to Mt Gambier.

A big thank you to the Portland Club for arranging such a great day, the club members that came from both clubs that made Sundays outing so memorable.

We will see you in our travels and at the next years cricket match.

Morry-Club Captain

Ps some of the story is part of my imagination.

Car Club Run to Dartmoor, Fort, O'hare 6th August 2023

Great Day at Dartmoor today, Portland vs the Mt Gambier Cheaters Cricket Match, obviously we lost but we seen a bit of England in their team. We will be back in 12 months with a bit more mongrel in us and the trophy that they have held for the last 40 plus years will be ours once more. Big thanks to the organisers of both clubs, big thumbs up from us. Bill Sandeman. Portland Powerhouse Car Club and Motor Museum.

Car Club Run to Dartmoor, Fort, O'hare 6th August 2023

What a brilliant day we had, just for interest, John made 20 runs, Julie 8, Sherrie 5, Graham 18, Margaret Dines 9, though in one of those runs there was a bit of cheating by Allan. 😊 Margrit Mashado hit 2 balls with a powerful one arm, was bowled and caught by Neil, the person scoring (me) said no to a suggestion of being bribed, \$5 and a Bun-nings card just wasn't enough. 😊 Thank you Portland Car Club

Sonya Hosking.

Graham and Sonya Hosking Visit to Kalgoorlie June 2023

Wow finally the Kalgoorlie Boulder Super Pit been on our to do list The Super Pit is 3.6 kms long, 1.5 kms wide over 500 metres deep, can be seen from space. One of the richest gold mines in the world, employs over 1,200 people, and of course all the services, that comes with the mining industry. The bucket I'm standing in, is 38 Cubic Metres, weight 68 tonnes, and costs more than \$1.1 million. Graham and I spent two months exploring only a small part of W.A, what a productive State, In the past there was a scheme, Royalties for Regions, the roads are brilliant, the facilities such as Kalbarri Sky Walk are brilliant, I'd encourage people to go visit W.A, you will be dazzled.

Editors Report

A big thanks to the members who have contributed to the newsletters, made my role as fill in editor so much easier and enjoyable, very much appreciated. Could club members please remember to wear their name badges at club functions, to make it more welcoming for new members and maybe club members like myself who tend to forget peoples names at times. A big thanks to Jim Simpson, not only for supporting me as editor, also the enjoyable and sometimes challenging times we had in the printing of the newsletter.

Frans Smaling, retiring fill in editor.
